Dear Nicholas,

It is our pleasure to notify you that based on your outstanding academic performance you have been named to the South University Dean's List for the Summer 2007 academic quarter. This is an honor that is not easily accomplished, especially in light of the various demands placed on our online students. It requires enrollment in more than 8 quarter hours and a grade point average of 3.5 or higher.

Enclosed you will find a certificate naming you to the Dean's List at South University for last quarter. You will be pleased to know that this designation will also be recorded on your transcript.

Everyone at South University joins us in extending our sincere congratulations on your accomplishment. Your hard work and academic achievement are greatly appreciated.

Best wishes always.

Sincerely,

Bruce Mallard, Ph.D.  
Dean of Academic Affairs
