Dear Nicholas,

It is our pleasure to notify you that based on your outstanding academic performance you have been named to the South University Dean's List for the Winter 2010 academic quarter. This is an honor that is not easily accomplished, especially in light of the competing personal demands many of our students experience. It requires enrollment in more than 8 quarter hours and a grade point average of 3.5 or higher.

Enclosed you will find a certificate naming you to the Dean's List at South University for last quarter. You will be pleased to know that this designation will also be recorded on your transcript.

Everyone at South University joins me in extending our sincere congratulations on your accomplishment. Your hard work and academic achievement are greatly appreciated.

Best wishes always.

Sincerely,

Dr. Robert A. Bohman, Ph.D.
